BISBEE NEWS

Daily Happenings at the
Great Copper Camp.

Budget of Interesting Items
from our Regular Cor-
respondent.

Bisbee, Dec. 3, 1896.
COPPERINGS.

As the weather begins to get cooler
quite a traffic in cord wood is noticed,
as everyone seems to be laying in a
supply.

Drummers continue to arrive at our
thriving burg and appear to receive
good "fat" orders. Hardly a day
passes but what a number of commer-
cial men arrive.

Mr. F. S. Webster, of Benson, was
noticed among the arrivals on the
train this evening. He is up on a lit-
tle pleasure trip and will attend the
Masonic meeting this evening.

The Masons are to have another
pow-wow this evening and one more
of their periodical good times. Quite
a number of visiting members came in
on the train and a very pleasant even-
ing is anticipated by all.

The family of Wm. Hosmer who
have been stopping with their relatives
in California for some time past, came
in on this evening's train and intend
to take up their residence with us. We
all bid them a hearty welcome.

Ye gods and little fishes! what will
happen next? Bisbee is to have a new
jail. The site and plans have already
been selected and the masons are now
at work on the foundation. Since
learning that this much needed and
long talked of institution was really
under process of construction our
idea of certain things have been ma-
terially changed. We now would not
be in the least surprised to hear that
Mason had started to build his
visionary hall, or that Mike Brophy
was to go ahead with an electric light
plant. We hereby relinquish all doubts
as to the carrying out of such schemes
and in the future will place implicit
confidence in Bisbee "as she will be."

In making your selection of Christ-
mas and holiday presents there is
nothing more appropriate than a well
selected piece of jewelry. Our local
jeweler, Mr. Schmieding, has lately laid
in quite an assortment of articles in
this line, all of the latest and most ap-
proved patterns. His stock of gold-
quartz jewelry is especially attractive,
and a call on him may save you much
trouble and care in your Christmas
selections. His present assortment of
watches and diamonds can't be beat.

The Tyranny of the Desk.
We will suppose that your occupation
is sedentary—that you are chained, so to
speak to the desk in some counting house
or perhaps to the loom in some vast mill
where you are compelled to labor from
morning to night. Sunday is your only
day of relaxation. You return home
every evening wearied mentally and
bodily. Your health and strength begin
to fail. What will most effectively re-
cuperate your vital energy? The weight
of evidence points to no other conclusion
than that Hostetter's Stomach Bitters is
your safest, most reliable sheet anchor.
Use it persistently, and your system will
soon regain its pristine vigor. Every
function will receive a healthful impulse.
There is no remedy to equal the Bitters
for nervousness and want of sleep,
dyspepsia, constipation and biliousness.
It cures and remedies all forms of mal-
arial disease, and is a preventive of
hematuria and neuritis.

SUNSET LIMITED.

The Sunset Limited train which pas-
ses Benson twice a week going east or
west is by far the finest and most mag-
nificent transcontinental passenger
train in existence. It is incomparable
unexcelled and unequalled. No ex-
pense has been spared to make it per-
fect in every respect, and all that
human skill or science could invent
and apply to make it absolutely fault-
less has been applied. Luxury and
beauty have been combined with
strength and safety, and, moreover,
it spans the continent, annihilating
time and space in its marvelous flight.
All who have had the pleasure of a
trip on this train unhesitatingly pro-
nounce it the very finest in the land.
A ticket on this train costs no more than
on the regular train.

formation, address:
